THE STATE OF TEXAS	§	
	§	KNOW ALL PERSONS BY
COUNTY OF WILLIAMSON	§	THESE PRESENTS:

This Declaration of Restrictive Covenant (the "Declaration") is made by State Farm Mutual Automobile Insurance Company, an Illinois corporation ("State Farm").

R E C I T A L S:

A. State Farm, as successor in interest to San Antonio Savings Association, is the owner of that certain tract of real property (the "State Farm Property") located in Williamson County, Texas, as more fully described in Exhibit A attached hereto and incorporated herein by reference;

B. The terms of that certain Second Amendment to the Agreement Concerning Creation and Operation of the North Austin Municipal Utility District No. 1 (the "Second Amendment"), dated March 15, 1989, require that certain restrictive covenants regarding permissible land uses be placed on the State Farm Property;

C. State Farm desires to execute this Declaration in order to comply with the requirements of the Second Amendment;

NOW, THEREFORE, in consideration of the sum of TEN AND NO/100 DOLLARS (\$10.00) and other good and valuable consideration received from the City of Austin, the receipt and sufficiency of which are hereby acknowledged, it is declared that State Farm, as the owner of the State Farm Property, shall hold, sell and convey the State Farm Property subject to the covenants and restrictions listed below:

1. The land uses approved on the Second Amended Land Use Plan, attached to the Second Amendment, shall not be cumulative.

2. Sites along FM 620 and within the State Farm Property that have been annexed for limited purposes by the City of Austin, shall be subject to the applicable provisions of the City of Austin Land Development Code (the "Code") effective as of the date of approval and as amended from time to time.

3. Sites with driveway access to FM 620, within the State Farm Property, shall undergo and be subject to Principal Roadway Area ("PRA") site plan review in accordance with the terms of the Code.

WILLIAMSON COUNTY, TEXAS

4. Development within the State Farm Property shall conform to the requirements of 31 Texas Administrative Code § 313 relating to development over the Edwards Aquifer in Williamson County. If it is determined that 31 Texas Administrative Code § 313, or similar successor regulations, do not apply to the State Farm Property, then State Farm, its successors and assigns, who develop the tract shall provide filtration of the first half inch of stormwater runoff, shall conduct a hydrogeologic study of sites and subdivisions, and shall provide data to the City of Austin demonstrating compliance with the foregoing requirements at the time such subdivisions and sites are submitted for City review and approval.

5. Individual projects within the State Farm Project will undergo and be subject to site plan review in accordance with the terms of the Code. Criteria for evaluation will be as follows, with all references to parcels of land being to those parcels depicted on the Second Amended Land Use Plan:

- a. The 4.4 acre parcel within the State Farm Property fronting on FM 620 shall be designated as office with a Floor to Area Ratio ("FAR") of .5 and be subject to the development standards established for Limited Office ("LO") zoning.
- b. The 7.1 acre parcel within the State Farm Property fronting on FM 620 shall be designated as office with an FAR of .35, a building height limitation of two stories, and be subject to the development standards established for Neighborhood Office ("NO") zones.
- c. The remaining FM 620 frontage within the State Farm Property shall be designated as retail with an FAR of .3. Retail uses including those retail uses allowed under General Commercial Services ("CS") zoning, as set forth in Section 13-2-221 of the Austin Land Development Code, shall be allowed.
- d. Compatibility standards shall be considered to the same degree and under the same conditions as if each site were in the City of Austin.
- e. Development on the State Farm Property shall be subject to the Landscaping regulations of the Code, as set forth in Sections 13-7-55 through 13-7-70 of the Code and as the same may be amended from time to time.

- f. The findings of Traffic Impact Analyses ("TIAs") submitted with each site plan shall be considered.
- g. Note 3 of the original Conceptual Plan attached to the Agreement Concerning Creation and Operation of North Austin Municipal Utility District No. 1 shall be interpreted to mean that multi-family density will increase moving away from adjacent single-family areas without increasing average multi-family density on the State Farm Property to more than 25 units/acre.
- h. Buildings within sites adjacent to the Forest North subdivision will have 135 foot set back from the State Farm Property line and be limited to two stories in height. Upon development of such sites, privacy fences will be constructed by State Farm within the State Farm Property to buffer the neighborhood from the office uses proposed for the sites.
- i. Zoning and PRA standards shall be considered, as applicable.

6. Severability. If any part of this Declaration is declared invalid, by judgment or court order, the same shall in no way affect any of the other provisions of this Declaration, and such remaining portion of this Declaration shall remain in full effect.

7. Waiver. If at any time the City of Austin fails to enforce this Declaration, whether or not any violations of it are known, such failure shall not constitute a waiver or estoppel of the right to enforce it.

8. Amendment. So long as State Farm continues to own any portion of the State Farm Property or the adjacent 96.6 acre tract described in Exhibit B attached hereto, this Declaration may be modified, amended or terminated by joint action of the Director of the City of Austin Department of Planning, or its successor (the "Director") and State Farm, so long as the Amendment is found by the Director to be generally consistent with the terms of the Second Amendment and the Second Amended Land Use Plan, as amended. Otherwise, this Declaration may be modified, amended, or terminated only by joint action of both (a) a majority of the members of the City Council of the City of Austin, and (b) by the owner(s) of the portion of the State Farm Property subject to the modification, amendment or termination at the time of such modification, amendment or termination.

9. Duration. The restrictions impressed herein upon the State Farm Property shall run with the land and shall be binding upon State Farm, its successors and assigns.

This Declaration is executed this 20TH day of MAY, 1992.
